MOKA

Days aboard MOKA can be spent enjoying the best of the on-water lifestyle on the yacht's impressive outdoor living areas. While at anchor charter guests will gravitate to MOKA's expansive main deck aft to soak up the sun and swim in the infinity pool with contraflow currents. Guests can then venture down the beach club to relax by the water's edge, enjoy the yacht's plethora of water toys and relish their favorite cocktail at the beach club bar.

Charter yacht MOKA's interior is lavish yet cozy making charter guests feel right at home. She showcases a subdued color palette where beige and white are accentuated with pops of soft green and grey to create a calming ambiance. Francesco Paszkowski designed MOKA with expansive windows throughout, allowing guests to enjoy gorgeous views and flooding the interior with light.

After a fun-filled day, the yacht's five sumptuous staterooms each offer the perfect haven for relaxing. MOKA features a heavenly main deck, full-beam master suite completed with a plush king-size bed, large dressing area and his-and-her en-suite bathroom. Guest are accommodated in two queen VIP staterooms and two convertible twin-bed staterooms. This dynamic accommodation layout makes MOKA ideal for family or friends charters.

MOKA is an exceptional charter yacht that is classified as "Green Plus" by RINA, thanks to her ability to remain anchored at bay for long periods of time without having to make use of generators, eliminating emissions, vibration and noise.
